Brain-Friendly Teaching For Language Acquisition

PRESENTED BY
Dr. Spencer Kagan

Long Beach, CA • October 16, 2018
For K–12 Educators

Workshop Highlights

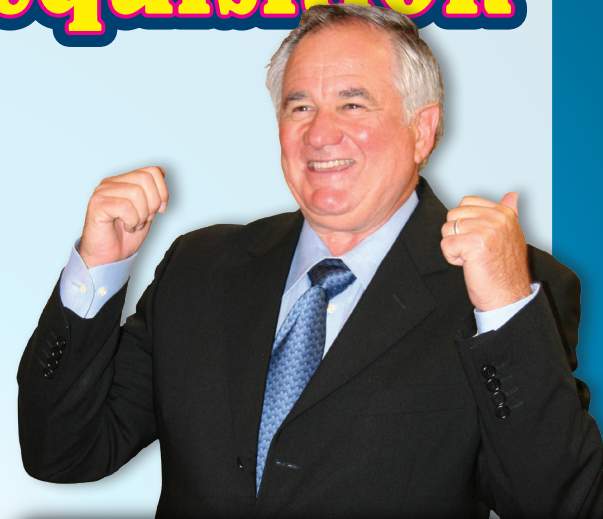

- ★ Put brain science to work to maximize language learning
- ★ Maximize comprehensible input with Kagan Structures
- ★ View PET scans showing how Kagan Structures stimulate language learning
- ★ Create a safe learning environment where language output is maximized
- ★ Experience a powerful alternative to boring worksheet work
- ★ Discover the stimuli that boost comprehension and retention of content
- ★ Apply principles of brain-friendly teaching in every lesson!

Teachers Rave!

"I am completely blown away by Dr. Kagan's research and his ability to teach others about understanding brain function to educate children. I am so happy I attended this workshop and will encourage others to learn and use Kagan Structures!"

—Sherri Archer, Elementary School Principal
